

SOUTHERN CALIFORNIA CHAPTER OF URISA
MEMBERSHIP FORM

SoCal URISA is an official chapter of the International Urban and Regional Information Systems Association (URISA). URISA is a non-profit multidisciplinary association of information technology professionals using Geographic Information Systems (GIS) and other information technologies to solve challenges in state/provincial, regional and local government agencies and departments. URISA and its chapters promote the effective and ethical use of spatial information and information technologies for the understanding and management of urban and regional systems, and continues to be a major resource of international best practices and guidelines for the geospatial community.

Membership in the Southern California Chapter entitles you to local Chapter meetings, an annual membership drive and holiday networking social, workshops, technical tours, discounted fees to attend the California State GIS Conference, leadership development, GISP professional certification points, and a newsletter including available jobs and upcoming events in the Southern California area. SoCal URISA strives to provide exceptional educational and networking experiences, a vibrant connected community, and the essential resources needed to be successful in your career.

Memberships are based on a calendar year and are due by January 1st and are valid until December 31st. Visit the SoCal URISA website for online membership <http://socalurisa.camp9.org/> or complete the attached form, and make your check payable to "URISA – Southern California Chapter"

Return the form and your payment to: Southern California Chapter of URISA
